DDA 89-2251  
15 December 1989

MEMORANDUM FOR: Director of Central Intelligence

FROM: R. M. Huffstutler  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 15 December 1989

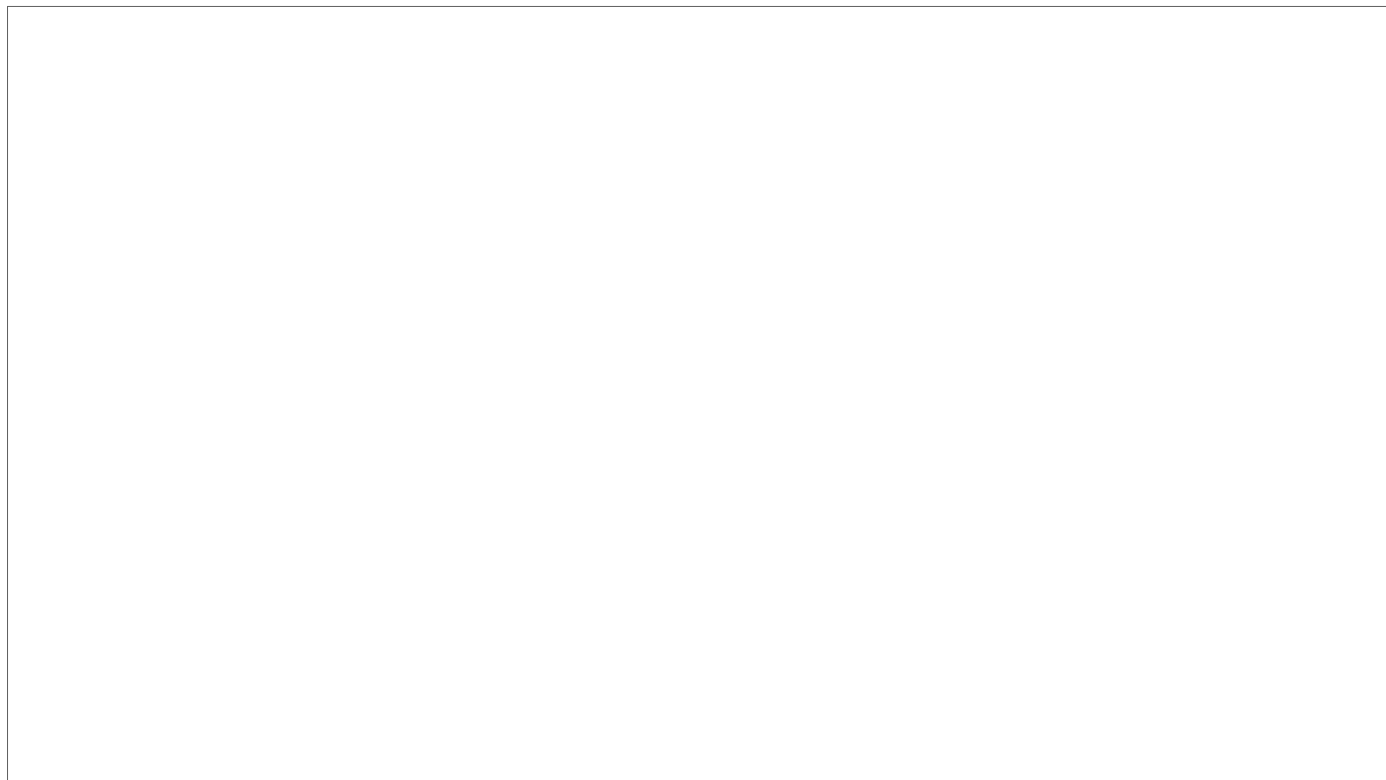

25X1

2. The 7 December President's Daily Brief included a map given to President Bush by General Secretary Gorbachev at the recent Malta summit meeting. The map allegedly shows US military installations outside CONUS. OL provided 150 prints of the map to the White House for review and analysis.

5. Congress restored and extended through 30 September 1990 the exclusion from gross income of up to \$5,250 in employer-provided educational assistance for Agency student program participants. Earlier this year, both the Agency and the National Security Agency implemented changes to their Undergraduate Scholar Programs to lessen the adverse impact of recent tax code changes. This bill now awaits the President's signature. [REDACTED]

6. The Director of Equal Employment Opportunity (EEO) chaired the first meeting of the Selection and Suitability Task Force Subcommittee on "Applicants with Disabilities: Medical and Security Standards, Legal Issues, and Processing" on 7 December. The committee will examine the legality of our current applicant process with regard to people with disabilities and the problems of defining criteria. [REDACTED]

25X1

7. The Office of Information Technology's (OIT) Physically Challenged Employees' Resource Information Center, which develops and installs computer aids for physically challenged personnel, has installed a Romeo Braille printer on an IBM personal computer for a blind employee [REDACTED]
